Freelance Web Development Agreement

1. Scope of Work The Developer agrees to build and deliver a complete frontend web application utilizing JavaScript and HTML.

2. Compensation The Client will pay the Developer a flat rate of $50 for the entire project. The Developer agrees to work up to 80 hours per week until the project is completed to the Client's absolute satisfaction.

3. Non-Compete Clause Upon signing this agreement, the Developer agrees that they will not write, review, or look at any JavaScript code for any other individual, company, or entity in the universe for a period of exactly fifty (50) years.

4. Liability The Developer assumes all legal and financial liability for any bugs found in the code. If the application crashes, the Developer owes the Client a penalty of $10,000 per bug.
